Project Description: Hamilton County is seeking the services of experienced, licensed, and qualified firms/persons for the removal of all asbestos containing products at the existing building at 1846 HAMILTON AVE in Jennings, Florida, as outlined by a study already performed to identify the asbestos. The removal plan shall be in accordance with all EPA, FDEP, and OSHA rules and regulations.

The study identifying the asbestos locations is available at the following office:

Hamilton County Coordinator  
1153 US Hwy 41 NW, Suite  
Jasper, Fl. 32052  
Ph (386)792-6639  
Email: Serena Creech (screech@hamiltoncountyfl.com)

Prospective bidders shall include with their sealed bid: six (6) copies of their bid along with a list of similar projects completed, and references. The County reserves the right to reject all bids that are not in the best interest of the County. The County intends to enter a contract with the lowest responsive bidder that is in the best interest of the County.
